

EVERYTHING ELSE...

Out and About

Sometimes you find yourself wanting to go hear a performance, but you really don't want to go alone! Come out and about with us! CincyCAMS will be putting together concert-goer-groups and off you go together. Sometimes there might be a little pre-concert talk, drinks, eats or sometimes we'll just all meet up! Watch for concert group nights and come out on the town with us!

Mindfulness and Music

In this fast-paced world, learn how to slow down and hear the music inside of you. Come for a peak into the mind that is open to new things and new paths.

Threshold Singing

This is serious – but still something we want to do and maybe you do too! Come work with a facilitator and understand the deep and gentle presence music can bring to comfort.

About Threshold Singing: When invited to a bedside, our singers serve to bring ease and comfort to those at the thresholds of living and dying. A calm and focused presence, with gentle voices, simple songs, and sincere kindness, can be soothing and reassuring to clients, family, and caregivers alike.
