

It's Lesson Time

Wine and Song

Calling all Young Professionals! Did you used to sing at school? Want to "mix" a great cocktail of singing and meeting other people? Come check out our karaoke-style singing classes! Enjoy a drink, sing some songs, and have a great time!

The Lullaby Room

Learn to soothe yourself while soothing your little one with our beginning vocal classes. Matching pitches, deep breathing, and lullabies from all over the world will help nap time be that much easier!

The Golden Voice

The love of singing is ageless! As our bodies age, we experience different physical changes-including the voice. Come learn quick techniques to manage the mature voice while singing timeless classic songs.

I Got a Brand New Guitar!

Now what do you do? Take a guitar class of course! BYOG (Bring your own guitar) and join a class where everyone is just learning the ropes.

Rusty Guitar Class

So, you may have played a little in high school or maybe college and now the guitar has been collecting dust and is in need of a good tuning! Join the Rusty Guitar Class to brush up on your skills and get your strum back on!

88 Keys to Success

Well...at least to successful piano playing. This group class is fun with friends, definitely fun with other people, whether they are your friends yet or not, and definitely for you if you know nothing about playing the piano, but want to learn. 6 weeks and you'll know the basics. We can't promise Beethoven or Elton John, but we can promise to start you on your way around those 88 keys.

Bonus Bonanza – Keyboard Camp for Adults!

Whether you have 1 year of study under your belt, just starting or have been making your own kind of music for years – our keyboard camp has something for you! Come enjoy the company of other musicians and music enthusiasts and step into the world of composition, chords and ensembles. Enjoy a recital by your instructors and a master class with your peers! Join us for a social gathering on Friday night and continue the fun on Saturday until 2PM. We'll have you packed up and on your way for Saturday night social engagements – no worries! For the price of 4 weeks of lessons you'll get the benefit of 4 teachers in 4 hours!

And, for those who have never tried piano – here’s your chance! A “Try It Out” program designed to get your feet (and hands) into the fun, fabulous world of piano playing! Come “Try it Out”!

Levels and Pre-requisite Requirements:

“Try It Out”

Player Nouveau

Midpoint Musician -

Power Player

Finger Aerobics for Pianists

Learning technique is to playing piano like learning the alphabet is to reading. You need the “language” of the technique to work your way around the piano. Technique is very easy to get if presented in a logical, systematic approach – get your fingers limbered up and enjoy the benefit of other pianists like you! (Secret bonus: You’ll also learn a little music theory!)

Minimum skill requirement: playing repertoire with two hands, including chords

Practice Partner

So, you want to help your budding pianist at home, but you can’t remember much about music and playing the piano! Look no further – we’ll help you become a great practice partner.

Learn basic music theory and piano skill info to help your kids practice at home – a few tricks and a few classes and you’ll have a happier home life!
